

SERMON NOTES

Cry. Wait. Sing.

Psalm 40:1-3 Page 803 (Grace Bibles)

1. People in difficult life situations respond in 1 of 2 ways:

- If you are a _____ person, you will pull up your bootstraps and try everything you can to make life better for yourself.
- If you are a _____ person, you will _____ to God.

2. One could argue that _____ is where we will spend most of our time as a follower of Christ. Most of our life is spent _____ the crying and the singing.

3. God doesn't _____ your pain. He wants to use it for His glory, and the only way He could do that is for you to sing _____ of deliverance - to share with others what He has done in your life.

4. The _____ of rescued saints may be one of our most underutilized _____. Your story of deliverance may be exactly what someone needs to hear for them to turn to Jesus Christ!

"He put a new song in my mouth, a hymn of praise to our God. Many will see and fear the Lord and put their trust in him." - Psalm 40:3

Our Offering - We don't take a public offering. Rather, we have "Offering Boxes" located in the lobby and the back of the auditorium for tithes and offerings. Offering envelopes are available beside the "Offering Boxes" for those who would like a receipt for cash contributions. We trust that God will meet our financial needs through those who call Grace their church home.

 **GROUP NOTES**

ENTERING THE GROUP ZONE

1. Dave talked about his personal experience going through the cry-wait-sing rhythm. Share your experience of a time you went through these three phases.
2. Share how fears or doubts can be overwhelming during a long season of waiting. Do you have a personal experience to share?
3. Have you ever felt disappointed with where God took you after the "wait" period? How did that affect your trust/faith?
4. Which part of the cry-wait-sing do you relate to most right now? How can your small group support you during this time?
5. Does God sometimes work in ways that do not follow the cry-wait-sing pattern? Have you experienced these parts in a different order?
6. Looking back at this week's message, was there anything that particularly challenged you, confused you, or caught your attention?

Take a minute to review the sermon and complete the sermon notes on the previous page for anyone who might have missed it.

DIGGING DEEPER

1. Read Psalm 13:1-6. How does this Psalm reflect the cry-wait-sing pattern that Dave talked about? Show below which verses cover each pattern.
 - Do you see your own prayers reflected in verses 1-4? Have you experienced the heartfelt frustrations as David did during the waiting period? Explain.
 - What caused David's tone to change in the last two verses? What lesson can we learn?
2. Read Habakkuk 3:16-19. Does Habakkuk's external situation improve before the singing and rejoicing stage? What does this passage reveal about joy that is rooted in God rather than outcomes?

TAKING IT HOME

Dave emphasized that the new song God gives us should be used to point others to Christ. Consider how God might use your story—past or present—to draw others to Jesus.
